HELLO, DIVISION 5!

HOLIDAY SERVICE FEATURE

Adopt a Family

A meaningful school-wide project that can make the holidays brighter for a local family.

Work with a trusted local partner that identifies families requesting assistance. Your club can coordinate gifts, warm clothing, pantry items, or grocery gift cards based on the family's actual needs.

01

FIND A TRUSTED PARTNER

Ask a school counselor, local Salvation Army office, community action agency, or established holiday assistance program about family sponsorships.

02

PROTECT PRIVACY

Get an anonymous wish list and delivery instructions through your partner. Do not publish names or identifying family details.

03

SET A REALISTIC GOAL

Sponsor one family or a manageable number of requests. Try a giving tree, classroom sponsorships, or a school-wide collection.

04

ORGANIZE & DELIVER

Secure school approval, track donations, confirm deadlines, and arrange delivery through your partner.

05

SHARE THE IMPACT

Send your LTG volunteer photos, donation totals, or a short recap, with school permission and appropriate photo releases.

SERVICE PROJECT PLAYBOOK

Little acts, big impact

Eight school-friendly ways to spread kindness and raise funds during the holiday season.

Winter Warmth Drive

Collect new socks, gloves, hats and coats. Ask a local shelter or school resource office what items are most needed.

Holiday Pantry Challenge

Invite grades or homerooms to donate shelf-stable foods and hygiene supplies. Coordinate with a pantry first.

Gratitude Grams

Offer handwritten thank-you notes to staff, teachers and classmates. Optional low-cost sales can support a charity.

Cocoa & Cookies for a Cause

With school approval, host a cocoa or baked-goods sale and clearly announce the beneficiary.

Giving Tree

Display anonymous gift-request tags supplied by a trusted partner; invite students and staff to fulfill them.

Cards of Kindness

Make greeting cards for senior living residents or community helpers; confirm recipient guidelines.

School Supply Restock

Collect notebooks, pencils and hygiene essentials for students who need supplies midyear.

Benefit Spirit Week

Organize approved themed dress days with optional donations or a class-versus-class service challenge.

FUNDRAISING CHECKLIST: Choose a beneficiary • get school approval • set a goal • promote • document donations • thank participants • share results.
