Earl Collins Scholarships and Grants

The Earl Collins Foundation Scholarship is a competitive scholarship offered by the Missouri-Arkansas District of Kiwanis International for students entering accredited institutions such as universities, community colleges, trade schools, or academies. As college is around the corner, this can be a great opportunity for juniors to apply to! Applicants are evaluated based on academic achievement, financial need, volunteerism, honors, education plans, and letters of recommendation, with bonus points for Key Club involvement or Kiwanis service. To apply, students must submit a complete application with all required documents to their local Kiwanis Club by January. The grants are for the individual chapters to be able to get some money for a project or on need basis. (Website Link: https://k14.site.kiwanis.org/earl-collins-foundation-scholarships/)

The Kiwanis Down Syndrome Foundation

The Kiwanis Down Syndrome Foundation (KSDF) is a nonprofit in Malaysia that helps young children with Down syndrome learn and grow through special programs and therapies. They work with babies up to six year olds to prepare them for school and everyday life. Your support and donations can make a real difference by giving these children the chance to reach their full potential and helping their families thrive.

For inactive clubs to be rechartered or reactivated again, the dues are only $25! This is a huge jump from the $600 fee that it has been in the past. It is an amazing opportunity to have a fresh start and get Key Club going again in your school and our division!
