MO-ARK

TRICK OR TREAT FOR UNICEF

Keep the momentum going for UNICEF! Trick-or-Treat for UNICEF gives Key Club members a chance to support children. Donations to Start Strong: Zambia are accepted year-round and support community learning centers for children.

Your club can keep the effort going after Halloween. Share the initiative at a meeting, plan a fundraiser, and invite your school community to take part. Set a goal and track your progress together.

Clubs donating at least $250 by December 31, 2026 can receive a limited-edition Trick-or-Treat for UNICEF banner patch. Celebrate the members who make your fundraiser possible. Learn more and donate at keyclub.org/zambia/.

REMINDER!

- Club officers and advisors: complete your 2026–27 dues and renewals by December 1, 2026. Visit engage.kiwanis.org for dues reporting.

DISTRICT SPOTLIGHT

Congratulations to Rahul, named Missouri-Arkansas district board member of the month by International Trustee Clint Bacon for his work on the district website's Officer Portal! His contribution shows how service can include building tools that help officers find information and connect with district resources. Thank you, Rahul, for putting your skills to work for Key Club.

LEADERSHIP & DLC

District leadership lets members support clubs and develop skills. At DLC in Springfield, clubs can share their work through scrapbook, T-shirt, poster, and service project report competitions. Gather materials now and watch for confirmed dates and rules.

GLOBAL LEADERSHIP CERTIFICATE

The Key Club Global Leadership Conference empowers members through hands-on workshops, service planning, and connections with global partners to turn ideas into community impact. Head over to engage.kiwanis.org to learn more and get involved!
