DIVISION 6 NEWSLETTER

HELLO!

Happy fall!

This month, some major dates are coming up. UNICEF Start Strong Zambia is here! Along with the deadline for Youth Opportunity Fund-October 15th.

As always, I'm here to help make your job as an officer a little easier. If you have questions, ideas, or just don't know where to start, reach out!

Dear Officers,

Our next District Council Meeting will be next month! I will reach out later with the dates, but I will also be hosting our Fall Rally! There will be food, activities, and a chance to meet your fellow Key Clubs.

OUR SCHOOLS

Bentonville. Bentonville
West. Gravette.
Bergman. Berryville.
Harrison. Jasper.
Mountain Home. Valley
Springs. Fayetteville.
Huntsville. Lincoln.
Springdale. RALI.

GO GLOBAL!

Ready to connect beyond your own club, division, and district?

Registration for the 2026 Global Engagement Rally (GER) is officially OPEN!

Whether you're looking to grow as a leader, learn something new, or meet Key Clubbers from beyond our district, GER is a great opportunity to get involved. Register here: https://kiwanis-org.zoom.us/joining/register/QH4L8lqRRyiWb_UZCfHiZQ

September 2026

GER WORKSHOP APPLICATIONS

GER isn't just looking for people to attend—it's also looking for people who have something to share! Applications are now open for members interested in facilitating a workshop or presenting during the Global Engagement Rally. This is your chance to share your skills and passions!

APPLY TO LEAD A WORKSHOP:

TIME TO RENEW YOUR CLUB

Yes, we know. Dues. Rosters. Paperwork. Not exactly the most exciting words in the Key Club dictionary. But keeping your club renewed and in good standing is what keeps the door open to all the great things Key Club has to offer!

HOW TO RENEW

1. COLLECT MEMBER INFORMATION

Gather each member's:

Full name

Email address

Expected graduation year

2. LOG IN

Access the new reporting platform, Kiwanis Engage.

An instructional video is available if you need help logging in.

3. UPDATE YOUR ROSTER

Go to the "Members Admin" section. Remove members who are not returning. Add new members and their information. Update information for returning members. Select "Roster Complete" when finished.

IMPORTANT DEADLINES

NOVEMBER 1, 2026

- Submit your roster and payment for at least 11 members to receive the early dues benefits.

DECEMBER 1, 2026

- *FINAL DEADLINE* to complete the 2026–27 Key Club renewal process.

★ EARLY DUES BENEFITS

- Clubs that complete renewal early can receive:
 - A special patch
 - Social media/newsletter recognition
 - Entry into a drawing for a free hotel room at the 2027 Key Club International Convention in Washington, D.C.
- So why wait until December when you can get it done early?

4. IDENTIFY YOUR OFFICERS

Assign your club officers under the "Club Leadership Roles" tab.

5. SUBMIT PAYMENT

Under the "Finances" tab, select your order number and choose "Pay Online" for credit card payment.

If paying by check, print the order and submit payment by mail.

NEED HELP?

If you run into problems with the renewal process, contact: memberservices@kiwanis.org

! IMPORTANT!

Do NOT delete returning members or replace your entire roster with a new one. Doing so can affect scholarship and award eligibility, so take a little extra time to make sure your roster is correct!

MONEY FOR YOUR BIG IDEAS

YOUTH OPPORTUNITY FUND

Have a service idea that could make a difference in your community—but your club needs a little help making it happen?

The Youth Opportunity Fund (YOF) is here for you! YOF provides service grants, academic scholarships, and financial support for Key Club projects and events. Your big idea doesn't have to stay an idea. With the right planning and funding, it can become a real project that impacts your school and community.

DUE October 15th

UNICEF TRICK-OR-TREAT

🎃 Trick-or-Treat for UNICEF has officially started! Each October, Key Clubbers are encouraged to host *Halloween-themed fundraisers*—such as **pumpkin carving, penny wars, races, or door-to-door collecting**—to support **UNICEF USA**. This year, donations support Start Strong: Zambia, which helps provide safe early-learning spaces.

Clubs can donate online through Key Club International or submit cash/check donations using the downloadable form.

Clubs that donate \$250+ by December 31, 2026, will receive a special Trick-or-Treat for UNICEF patch for their club banner!

OFFICER TIP OF THE MONTH

🎃 **OFFICER TIP OF THE MONTH: DELEGATE, DON'T DO IT ALL!**

Being an officer doesn't mean you have to do everything yourself! When planning a service project, divide responsibilities among your members—someone can handle supplies, someone can make a flyer, someone can contact a partner, and someone can organize volunteers. Delegating gives everyone a chance to contribute while making your projects run much more smoothly. A great leader doesn't do all the work—they get everyone involved!

September 2026

GLOBAL LEADERSHIP CERTIFICATE

Key Club's Global Leadership Conference builds leaders through hands-on workshops, service planning, and connections with peers and global partners. It's a space to grow, get inspired, and turn ideas into real community impact. Go to engage.kiwanis.org for more info.

Erika's Lighthouse

One of Key Club's international partners, Erika's Lighthouse, raises awareness about teen depression and promotes positive mental health. Through free resources, it helps students recognize struggles, seek support, and uplift one another. It is something our division can truly make an impact on.

Earl Collins Scholarships & Grants

The Earl Collins Foundation Scholarship, offered by the Missouri-Arkansas District of Kiwanis International, supports students entering colleges, trade schools, and universities. It honors academic success, service, leadership, and financial need, with extra recognition for Key Club involvement. As college applications approach, this is a great opportunity for seniors to be rewarded for their dedication and impact.

This is what Key Club is all about: serving others, growing as leaders, and creating real opportunities for ourselves and our communities. Everything we do, from service to scholarships, has an impact.

Don't forget to pay your dues so you can stay involved and make the most of this year. And always know I'm here for you. Let's make it a great year together.
