TRICK OR TREAT FOR UNICEF

Trick-or-Treat for UNICEF has officially begun! Encourage Key Clubbers throughout October to host Halloween-themed fundraisers like pumpkin carving, penny wars, races, or box collections to support UNICEF USA. All proceeds go toward the Start Strong: Zambia initiative, which builds insakas, community learning centers with classrooms, gardens, and kitchens designed to give children a safe place to learn and grow. Donations can be submitted online through the Key Club International website or mailed in via cash or check using the website's downloadable gift form, with any club raising at least \$250 by December 31st, 2026 earning a special patch for their banner. You can order collection boxes or learn more on the Key Club International website, and if you have any questions, please reach out to me or our district's UNICEF Champion,

REMINDER!

- Submit your 11-member roster and payment by November 1, 2026 to unlock early perks like a special patch, recognition, and a chance at a free hotel room for ICON 2027 in D.C.
- All final 2026–27 renewals must be completed by December 1, 2026!

MO-ARK

YOUTH OPPURTUNITIES FUND

Have a service idea that could make a difference in your school or community, but lack the funds to bring it to life? The Youth Opportunity Fund (YOF) offers service grants, academic scholarships, and financial support specifically for Key Club projects and events, giving you the resources you need to turn your big ideas into a real impact!

Erika's Lighthouse

Erika's Lighthouse, one of Key Club's international partners, focuses on raising awareness about teen depression and promoting positive mental health. Through its free resources, our division can empower students to recognize mental health struggles, seek support, and actively uplift one another.
